

CHURCH SEATS AND CHURCH PEWS

New Styles Cheap and Endurable.

Comfort and Beauty Combined.

UNTIL the large number of people who are never seen in churches can be assured that every church in this vicinity will have a set of seats that will be clean, comfortable and inviting, they will not be seen inside a church. Many churches will supply this long-felt want if they could do so at prices and on terms within their reach, thus increasing their attendance, drawing on the unusually large number of people who do not attend the churches, and which would evidently result in every service being crowded. A barrier has been removed by the Church Supply Department of the National Baptist Publishing Board, which has presented the new style church seat (its own creation and its own make). These seats are constructed of the best grade of hardwood. They are built by the best skilled mechanics and have proven to be the most comfortable ever offered at the prices. The terms on which they can be purchased are so easy that any church, regardless of its financial condition, can secure a set of these by a small cash payment, have the seats installed and pay the remainder in monthly or quarterly payments to suit their own financial condition. How long, with such inviting inducements offered, will it be, before every church in and about Nashville will get a set of seats? References can be given to the Nashville churches by referring them to Rev. L. Kirkpatrick, pastor of the St. John Baptist Church, Pearl St.; Rev. J. L. Harding, pastor of the North Third Avenue Baptist Church, both of whom have seated with new style church seats; Rev. G. B. Taylor, pastor of the Second Baptist Church, corner Stevens and DeLuge Sts.; Rev. Wm. Haynes, pastor of Sylvan Street Church, Shelby Avenue, who have installed the church pews.

is one of the most beautiful and spacious in the city, presented a scene of wonderful magnificence with its elaborate decorations of palms and cut flowers, bedecking the stairways, halls and mantels. The beautiful and stylish costumes worn by the ladies created much comment and admiration and enhanced largely the beauty of the decorations. Although the profusion of flowers throughout the house was such as to suit the taste of the most fastidious, the climax, in point of attractiveness was reached in the dining-room, where the sideboard, china-press and tables were laden with bountiful masses of magnolias, geraniums and foliage. Here the guests partook of a tempting menu prepared and served by Miss Elizabeth Moore, who easily takes first rank in the culinary art. The color-scheme of green and white, seen in all the decorations, was accentuated in the fancy dishes served. In the receiving party were Mrs. Dunn, Miss M. C. Grisham and Miss L. L. McKeever. The hours from 6 till 9 o'clock were most pleasantly spent in conversation, games, etc.

SUNDAY AT GREENWOOD.

Between fifteen hundred and two thousand people flung their cares and duties to the wind and went out to Greenwood Park Sunday afternoon for pleasure and rest. The amusements were on in full blast and everybody seemed to be enjoying themselves, and while they doubtless realized that they were in a place designed for pleasure there appeared to be a high regard for the Sabbath day. There were no visible signs of disorder and men who carried their families out had no occasion to regret the outing because it was not marred by such conduct as was said to have characterized an opening of a certain park which was to have been conducted by white men for Negroes.

Greenwood is an ideal park; the location is fanciful and quickly charms the eye for the beautiful.

Company G, N. G. S. T. (unattached), has stretched tents in the park and their quarters presented a scene quite familiar to those who remember the active service of the "colored boys in blue" during the War of the Rebellion.

It is said that many new attractions will be added in the near future.

QUARTERLY CONFERENCE.

Bethel A. M. E. Church had its third quarterly conference Monday night, and, it is said, surpassed all former conferences held in the church. The trustees were able to report that every outstanding debt against the church had been cancelled. After the business of the conference had been completed Rev. Dr. Denny tendered the four hundred members a reception, the menu containing ice cream, cake, fruit and lemonade. Dr. Denny received many presents and congratulations.
